

# Portable Outdoor Power Station

Output: AC (CN, US, JP, KR, VDE, UK, AU, EU)  
DC, USB, QC3.0, Type-C

Input: Solar charging, power adapter, car charger

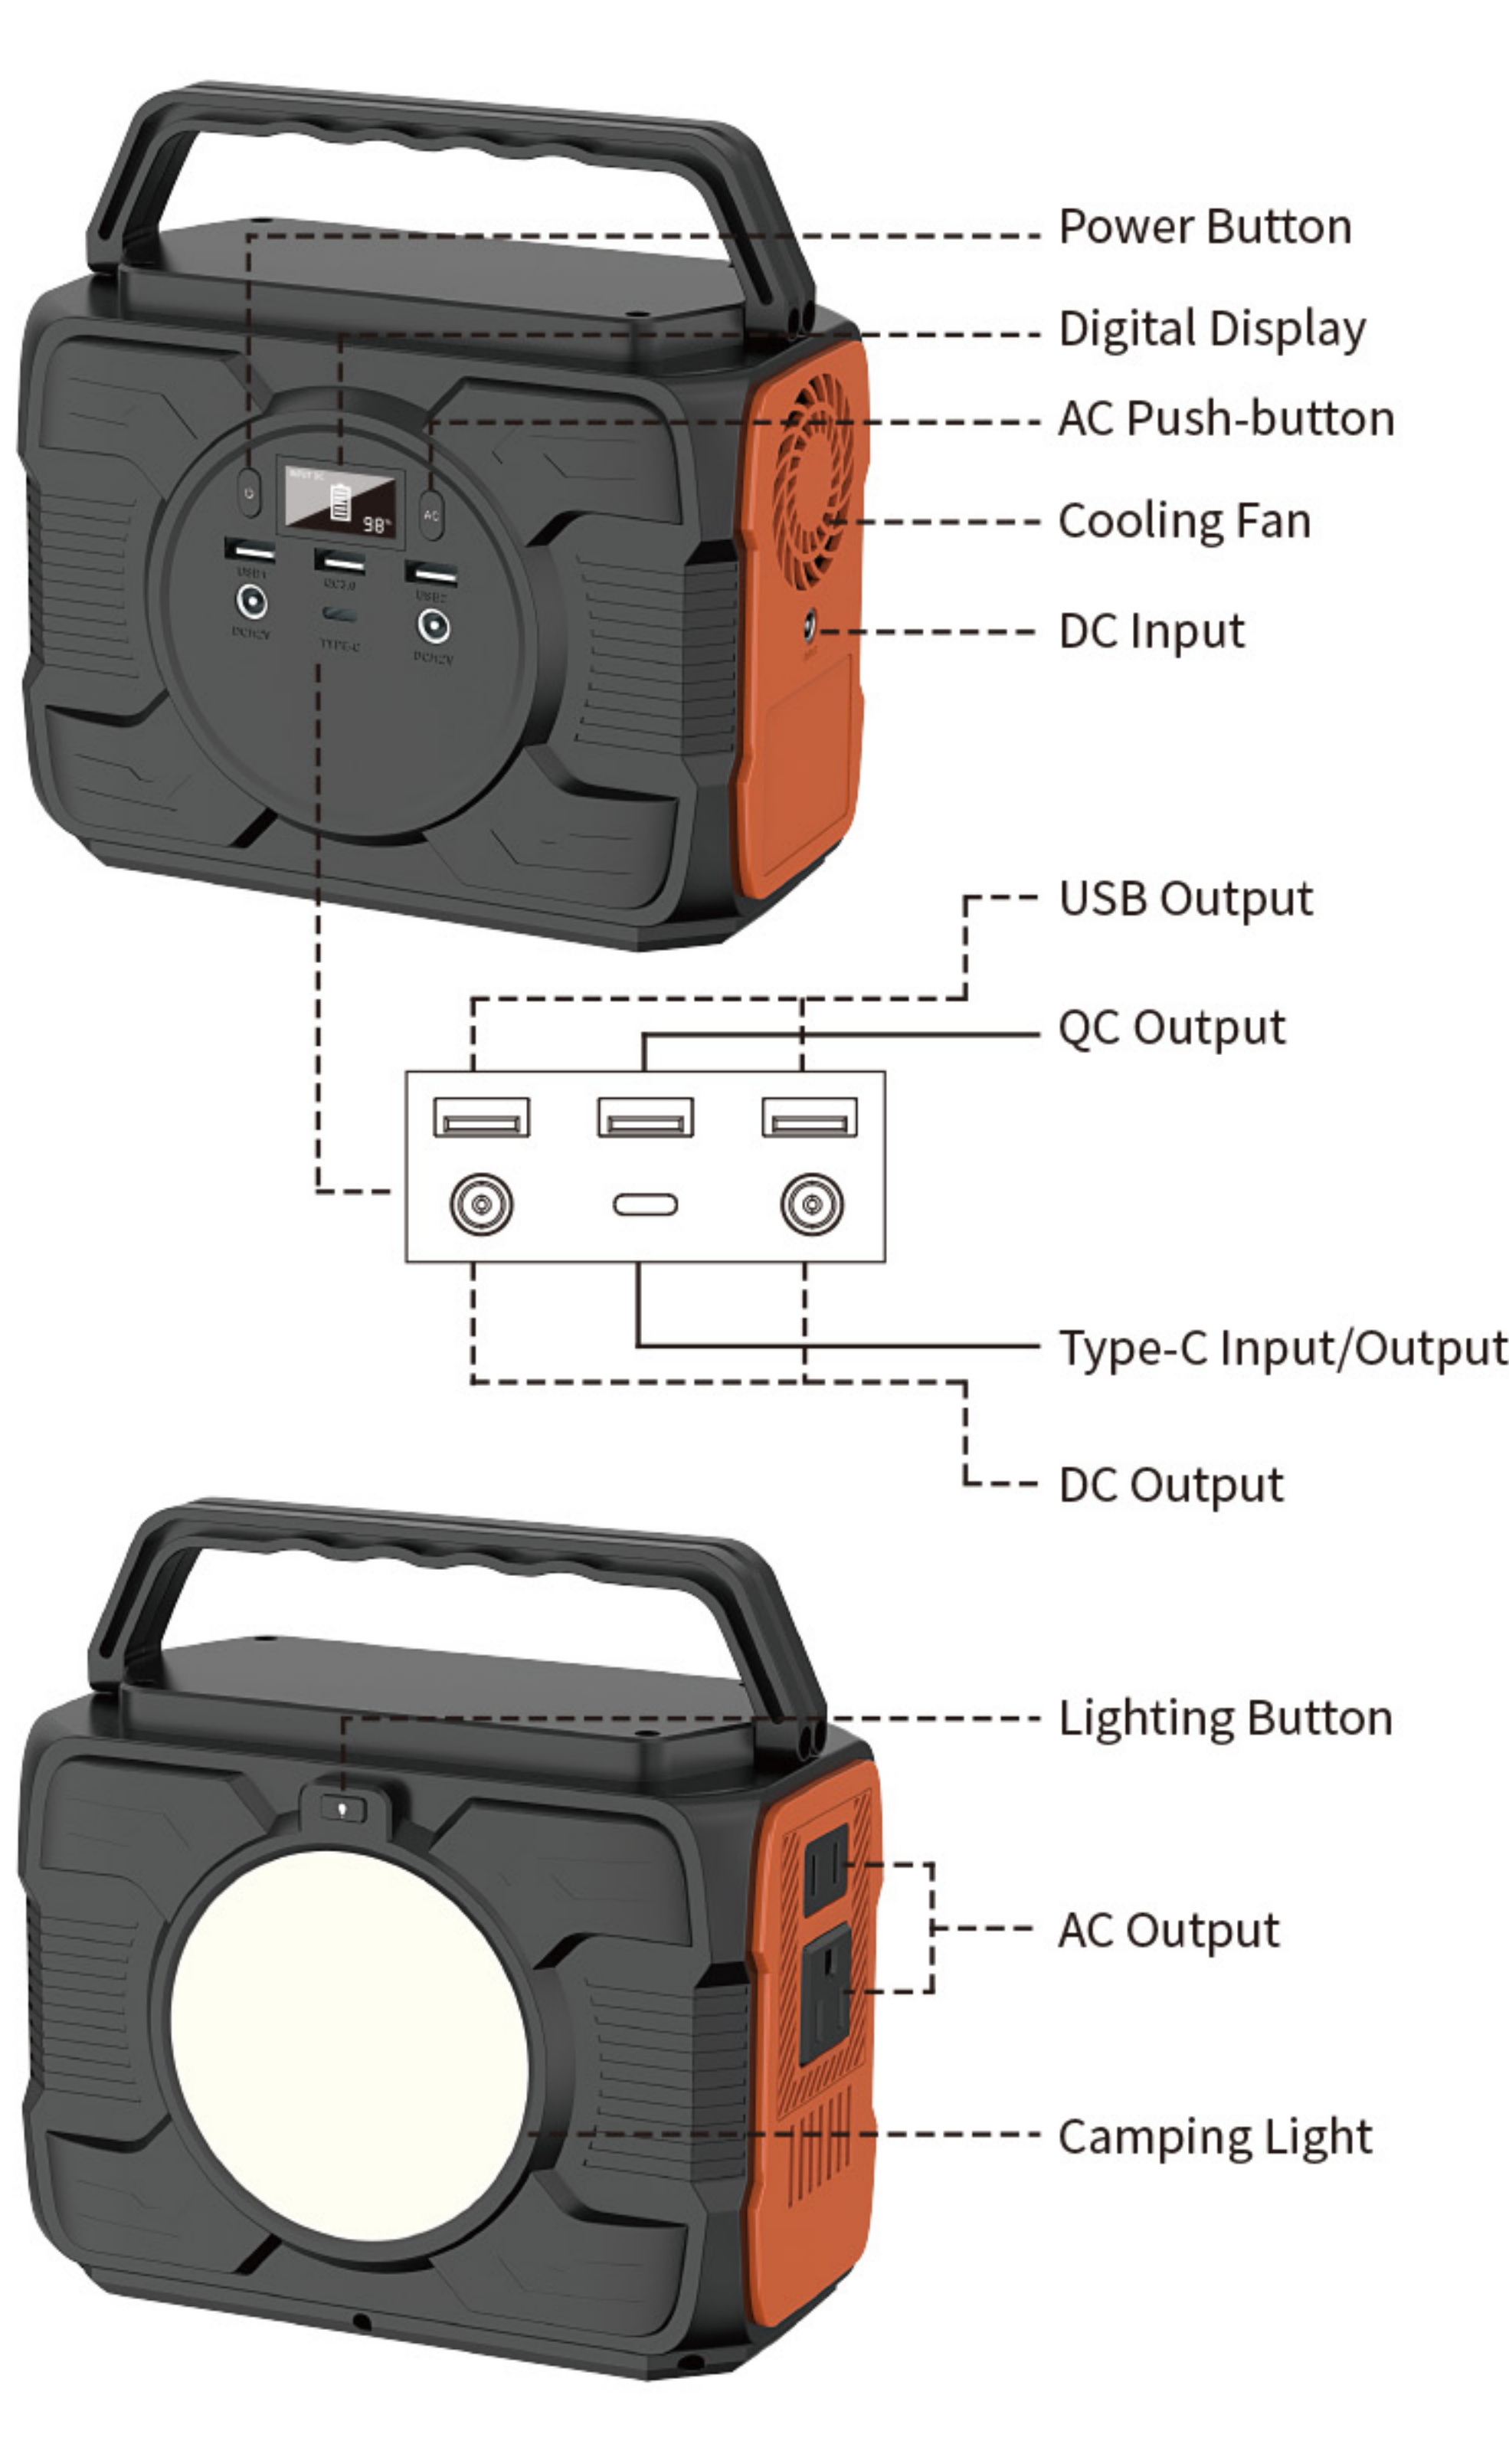

Certification: CE FC PSE RoHS UN38.3

|                        |                                                   |
|------------------------|---------------------------------------------------|
| Model:                 | OPS200                                            |
| Battery:               | 173Wh/48000mAh                                    |
| Battery type:          | Lithium Battery                                   |
| DC Input:              | 5~20V/2A                                          |
| Type-C Input:          | 5V/2.4A, 9V/3A, 12V/3A<br>15V/3A, 20V/5A (PD100W) |
| DC1&2 Output:          | 12~16.8V/8~10A                                    |
| Type-C Output:         | 5V/2.4A, 9V/3A, 12V/3A<br>15V/3A, 20V/5A (PD100W) |
| AC Output Power:       | 200W                                              |
| AC Output Voltage:     | 110~220V/50~60Hz                                  |
| QC3.0 Output:          | 5V/3A, 9V/2A, 12V/1.5A                            |
| USB1&2 Output:         | 5V/2.1A                                           |
| LED:                   | 5W                                                |
| Cycle Life:            | 500 times                                         |
| Weight:                | 1.86Kg                                            |
| Size:                  | 182*102*144mm                                     |
| Charging Temperature:  | 0~45°C                                            |
| Discharge Temperature: | -20~55°C                                          |
